Queercore (or homocore), is a cultural and social movement that began in the mid-1980s as an offshoot of the punk subculture. It is distinguished by its discontent with society in general, and specifically society's disapproval of the gay, bisexual, lesbian and transgender communities. Queercore expresses itself in a DIY style through zines, music, writing, art and film.

Definitions and identity. In addition to being an umbrella term, genderqueer has been used as an adjective to refer to any people who transgress distinctions of gender, regardless of their self-defined gender identity, or who "queer" gender. Individuals may express gender non-normatively by not conforming into the binary gender categories of "man" and "woman".
