ERNEST S. HOLMES THE SCIENCE OF MIND INTRODUCTION "The Science of Mind by Ernest Shurtleff Holmes originally copyrighted and published in 1926 has lain dormant in the back room of time. It is with pleasure that we make this fine publication available again. In so doing, we would like to call attention to the word "God" as used in this book.

understanding of the "Science of Breath." Whole schools of Oriental Philosophy have been founded upon this science, and this knowledge when grasped by the Western races, and by them put to the practical use which is their strong point, will work wonders among them. The theory of the East, wedded to the practice of the West, will produce worthy offspring.

Yet, there is an ethical and social responsibility, transcending market forces, for the platforms to contribute what data they uniquely can to a science of fake news. The possible effectiveness of platform-based policies would point to either government regulation of the platforms or self-regulation.
