What Breuer did was in fact utterly original in relation to any form of mental distress: he listened not only in order to establish a diagnosis, but also to effect a treatment. Freud, for all his reservations about the case, realised how radical this was, and drew on it for the basis of his own talking cure.

Anna O and the "talking cure" | QJM: An International

The Talking Cure Jean Reynolds The "talking cure," Freud's nickname for psychoanalysis, seems an apt label for Higgins's transformation of Eliza Doolittle in Shaw's Pygmalion : Eliza is "cured" of her impoverished existence by talking to Higgins in his Wimpole Street laboratory.

The Talking Cure - The New Yorker

large extent hydraulic. People talked, and still talk, of 'running out of steam', 'letting off steam' and 'releasing pent up emotion'. Much experimental therapy (particularly in California during the 1970's) focussed on the hydraulic metaphor, believing that to truly 'grow' a person had to 'let it all out' and release 'pent up' emotion.
